**Sharing the Easter Faith with Children** Carolyn C. Brown, 2011-07-01 Sharing the Easter Faith with Children is theologically sound biblically focused educationally on target and developmentally appropriate Carolyn Brown writes clearly and helpfully with conviction and passion for what to share and how to share one's faith with children It should be required reading for every parent educator and pastor who wants to communicate and celebrate the Easter faith with children Brown packs a lot of practical suggestions insights and activities into this very readable resource I am confident children will mature in their understanding and affirmation of the Easter faith when they have been nurtured in families and congregations that take seriously what Brown offers Donald Griggs author of Teaching Today's Teachers to Teach It is easy to share the Christmas story and faith with children The story is beautiful and lends itself well to pageants and other celebratory events for children It is not so easy to share the Easter story and faith with children because the message and images are complex Many parents have trouble articulating what Easter means to them personally much less answering their children's questions In many congregations children are featured in palm parades on Palm Sunday but they are not specifically planned for at other Holy Week services When schools schedule an Easter break many families go away and thus unintentionally bypass the whole Easter message for years This book explores what the Easter message can mean to children as they grow up The author helps congregations and families share the Easter message with their children and include the children meaningfully in Lent Holy Week and Easter observances Included are materials for children from birth in the church nursery to age 12 and reproducible pages to create a booklet for parents The first section of the book describes the particular parts of the Easter faith that are important to children at different ages and comments on the biblical Easter texts from a child's point of view The second part of the book works through the Lenten season describing ways congregations can include children and providing program and worship plans including Lenten disciplines for children and their families Ash Wednesday Celebrating Palm Sunday or looking ahead on Passion Sunday Maundy Thursday Recalling the Last Supper Keeping Good Friday The church sponsored Easter Egg Hunt Easter Sunday Morning Another part of the book offers help to leaders who want to share

**From Pentecost to the Triune God** Steven M. Studebaker, 2012-12-19 In *From Pentecost to the Triune God* Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son The Holy Spirit Studebaker maintains is not simply a passive end product of a procession from the Father and Son but rather a dynamic person who plays an active role in the Trinity and a constitutional consummational role in the history of redemption In the course of his study Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost A constructive and ecumenical contribution to Trinitarian theology *From Pentecost to the Triune God* also engages major historical and contemporary figures such as Augustine the Cappadocians Weinandy and Zizioulas as well as representatives from the evangelical and charismatic traditions Finally Studebaker applies his Pentecostal Trinitarian theology to the theology of religions and creation care proposing that Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation      *Chase's*

**The Pentecostal Commentary** Billy M. Prewitt, A Trinitarian Exposition of the New Testament This

series is designed with the serious Trinitarian Pentecostal student in mind With a foundational commitment to the inspiration and infallibility of Scripture each passage is explained in terms of its theological and practical significance In addition The distinctive Pentecostal pneumatology is sustained Key doctrines are identified and expounded Important cross references within Scripture are noted Historical connections in Church history are mentioned Erroneous teachings are scrutinized Comments are based on the King James Version The KJV text is printed in the body of the commentary With a modern style of readability this commentary series is appropriate for anyone seeking to grow and understand the truths of Scripture and is especially helpful to pastors as well as college and seminary students Author s Foreward As a Pentecostal student attending a Pentecostal Bible college I went to the college bookstore to purchase my textbooks without knowing that the commentaries on my book list were written by non Pentecostals Even though my classes required commentaries from various publishers none of the publishers were Pentecostal I often wondered why a Pentecostal Bible school would use non Pentecostal commentaries for class What I did not know at the time was that there really was no such thing as a Pentecostal commentary written for and by Pentecostals Since then there have been a few Pentecostals who have written on individual books but there are significant portions of even the New Testament that have had little or no Pentecostal voice As a result serious Pentecostal students have no other choice but to learn at the feet of non Pentecostals I am not opposed to non Pentecostal commentaries Indeed I have gained considerable insights from reading such but there are two points of theology that I must consciously filter out every time I read them The most important concern to a Pentecostal is that the pneumatology the study of the Holy Spirit presented by non Pentecostals is very different than that of a Pentecostal The second point is the emphasis on Calvinistic doctrines especially eternal security with which most Pentecostals do not agree In addition there are other theological differences and substantially different hermeneutical principals that can dramatically alter the interpretation of texts in non Pentecostal ways In my studies I have always desired to have a commentary that was thoroughly Pentecostal but I never imagined that I would write one From one Pentecostal to another I hope you will find this series to be a breath of fresh Spirit anointed air Series Preface While it is hoped that Bible students from other theological traditions will study and benefit from its contents it is first and foremost Pentecostal As such this commentary does not include surveys of other viewpoints unless such inclusion is necessary for clarity of argument In addition with all due respect to our Charismatic brethren it may be said that this series is not meant to be inclusive of Charismatic interpretations related to pneumatology The Pentecostal Commentary series intentionally excludes views of Scripture that do not hold to its inspiration inerrancy and infallibility and also excludes modern liberal arguments of authorship date purpose and so on Traditional viewpoints on these subjects will be discussed without confusing the issue In addition 19th century criticism methods and concerns over source documents will not often be discussed In other words this series assumes that the Biblical text is as God wants it to be and that it was written by the person and at the time traditionally ascribed      *Ten Commandments Bible Law Course, Form*
