Pentecost Craft Ideas:

The Church Year at Home Christine E. Curley, 2021-07-28 For parents in today's world it can be hard to find the time and resources to fully equip our children to be spiritually mature adults. So much demands our attention and distracts us from God. Curley offers a resource to help parents structure their days and weeks to glorify God and disciple children. Using the church calendar as a guide, she proposes simple and realistic ways as well as resources for the whole family to engage in the Scriptures and thereby push back on the unrelenting culture of today.

Ministry Ideas for Celebrating Lent and Easter with Teens, Families, and Parishes Judy Dankert, Marilyn Kielbasa, Marie Sajsa, 2006 Like all of us, adolescents have a deep hunger for God. They have a need to make sense out of life and a desire to make the world a better place. They are people of endless hope and have the capacity for deep sadness and profound joy. Their hungers, needs, hopes, and moments of sadness and joy mirror the experiences of biblical characters we meet during Lent and the Easter season. To meet the challenge of making Lent and the Easter season meaningful, parish and youth ministry efforts need to be intentional about bringing alive the Scriptures for each Sunday and special commemoration of the season.

Ministry Ideas for Celebrating Lent and Easter with Teens, Families, and Parishes is a resource manual that provides activities for gathered sessions with youth in parish settings as well as ideas for meaningful ways to observe the season with families and friends at home and in the community. At the core of the manual are gathered sessions with youth that are lectionary based, using themes from the Scriptures. Some sessions are specific to a particular Sunday in one liturgical cycle. Others are more thematically inclusive and may be used with all cycles. In addition to the gathered sessions, supplementary activities for the season include a guided meditation, a service project, and discussion activities that may be used in a variety of ways throughout the season. Also included are two chapters designed specifically for families. Each chapter contains several activities that will help families share faith stories and create memories. These activities can be sent home or adapted for use in a gathered environment.

Planning for Rites and Rituals Andrew R. Wright, 2025-07-08 The indispensable guide to curating resources for worship in the Episcopal Church. Newly revised and reorganized, *Planning for Rites and Rituals* is a guide to liturgical planning in the Episcopal Church, organized around the seasons of the church year and the cycle of Sunday readings in the revised common lectionary. Structured as a series of three volumes, one for each year in the lectionary cycle, *Planning for Rites and Rituals* includes guidance for making seasonal choices among the church's authorized worship resources, brief commentary on each Sunday's readings, guidance in approaching the Prayers of the People, and suggestions for observing commemorations from the church's calendar. New introductory material suggests approaches to curating liturgical resources. New editor Andrew Wright has applied his years of experience in planning liturgy at parishes across the Episcopal Church and mentoring clergy to this revision. Including contributions from throughout the church, this volume offers clergy and lay liturgical planners a framework for planning throughout the church year.
