Survivor Injustice Kylie Cheung, 2023-08-15 Journalist and Jezebel staff writer Kylie Cheung exposes the insidious and often unseen connections among domestic abuse state based violence political disenfranchisement and the carceral state An astonishingly original powerfully honest vision for true survivor justice Kirkus starred review For readers of The Revolution Starts at Home Feminism for the 99% and Good and Mad Incisive urgent and written exactly for our post Roe times Survivor Injustice is the feminist frame changing read we need now for each of us and for all that's at stake With an abolitionist lens journalist and Jezebel staff writer Kylie Cheung shows how domestic abuse and state violence are systemic and

interconnected She shatters the harmful and convenient narrative that abuse is a private matter perpetrated by individual bad actors and situates popular understandings of domestic abuse in an indictment of the racism misogyny and carcerality baked into U S culture and politics Cheung explores The links between capitalism and domestic abuse how late stage capitalism colludes with the state to incentivize forced birth and reproductive coercion Intimate partner violence as a tool of political silence and social control America s tacit acceptance of sexual assault from the home to the White House The interplay of race power gender and sexuality in state based violence How the United States runs on carcerality and what that means for victims The way we view survival crimes and our complicity in defining which acts are violent and whose actions are criminal How white feminism and carceral feminism fail us all Cheung plainly names all that goes unsaid when we as a culture talk about abuse How state and society criminalize women girls and gender oppressed people of color That what happens behind closed doors affects whose voices we hear at the ballot box What it means when we put predators from every party up for vote That sex workers are more likely to be victimized by law enforcement than saved by them That this is all by design And that ultimately with organizing abolition and beyond the ballot action we can change it all for good
