## **Poor But Proud Alabamas Poor Whites:**

**Poor But Proud** Wayne Flynt, 1989 After examining origins Flynt Southern history Auburn U studies farmers textile workers coal miners and timber workers in depth and discusses family structure folk culture the politics of poor whites and their attempts to resolve problems through labor unions and political movements Annotation copyrighted by Book News Inc Portland OR *Poor But Proud* Wayne Flynt, 2001 Alabama in the Twentieth Century Wayne Flynt, 2004-10-10 A native son and accomplished historian does not flinch from pointing out Alabama's failures from the past 100 years neither is he restrained in calling attention to the state's triumphs in this authoritative popular history of the past 100 years **Midnight Cry** Lesa Carnes Shaul, 2024-10 Close to midnight on May 17 1951 four north Alabama lawmen drove to a bootlegger's home to serve an arrest warrant Before the clock struck twelve the bootlegger lay dead in front of the house he shared with his wife and eight children and three of the four officers were also dead Afterward a sixteen year old boy would face a series of trials that would divide a county and thrust the state of Alabama into the national spotlight In this good old fashioned true crime story Lesa Carnes Shaul draws on court documents trial transcripts newspaper articles and personal interviews to weave together a rollicking and illuminating tale of murder and revenge Besides the shooting itself and the subsequent trials the narrative explores the cultural shifts that occurred after World War II in the United States the Deep South and the state of Alabama in particular Immediately after the war many southern states still recovering from the lingering effects of the Great Depression stood poised to advance toward a progressive New South yet struggled with the legacy of race and class inequities retrograde government policies and a stubborn resistance to change Sand Mountain represented a kind of land that time forgot during this era even as nearby cities like Huntsville and Birmingham sought to claim a place on the national stage in technology industry business and medicine Through her investigation of this murder trial Shaul reveals the backwoods justice at play in this isolated area of the American South **Revolt of the Tar Heels** James M. Beeby, 2008 During the 1890s North Carolina witnessed a political revolution as the newly formed Populist Party joined with the Republicans to throw out do nothing conservative Democrats Focusing on political transformation electoral reform and new economic policies to aid poor and struggling farmers the Populists and their coalition partners took power at all levels in the only southern state where Populists gained statewide office For a brief four years the Populists and Republicans gave an object lesson in progressive politics in which whites and African Americans worked together for the betterment of the state and the lives of the people James M Beeby examines the complex history of the rise and fall of the Populist Party in the late nineteenth century His book explores the causes behind the political insurgency of small farmers in the state It offers the first comprehensive and in depth study of the movement focusing on local activists as well as state leadership It also elucidates the relationship between Populists and African Americans the nature of cooperation between Republicans and Populists and local dynamics and political campaigning in the Gilded Age In a last gasp attempt to return to power the

Democrats focused on the Populists weak point race The book closes with an analysis of the virulent campaign of white supremacy engineered by threatened Democrats and the ultimate downfall of already quarreling Populists and Republicans With the defeat of the Populist ticket North Carolina joined other southern states by entering an era of segregation and systematic disfranchisement James M Beeby is an assistant professor of history at Indiana University Southeast Race, Class, and Power in the Alabama Coalfields, 1908-21 Brian Kelly,2001 In this lucid and supremely readable study Brian Kelly challenges the prevailing notion that white workers were the main source of resistance to racial equality in the Jim Crow South Kelly explores the forces that brought the black and white miners of Birmingham Alabama together during the hard fought strikes of 1908 and 1920 He examines the systematic efforts by the region s powerful industrialists to foment racial divisions as a means of splitting the workforce preventing unionization and holding wages to the lowest levels in the country He also details the role played by Birmingham s small but influential black middle class whose espousal of industrial accommodation outraged black miners and revealed significant tensions within the African American community **Sing Me Back Home** Bill C. Malone,2017-02-17 For over fifty years Bill C Malone has researched and written about the history of country music Today he is celebrated as the foremost authority on this distinctly American genre This new collection brings together his significant article length work from a variety of sources including essays book chapters and record liner notes Sing Me Back Home distills a lifetime of thinking about country and southern roots music Malone offers the heartfelt story of his own working class upbringing in rural East Texas recounting how in 1939 his family s first radio a battery powered Philco introduced him to hillbilly music and how years later he went on to become a scholar in the field before the field formally existed Drawing on a hundred years of southern roots music history Malone assesses the contributions of artists such as William S Hays Albert Brumley Joe Thompson Jimmie Rodgers Johnny Gimble and Elvis Presley He also explores the intricate relationships between black and white music styles gospel and secular traditions and pop folk and country music Author of many books Malone is best known for his pioneering volume County Music U S A published in 1968 It ranks as the first comprehensive history of American country music and remains a standard reference This compilation of Malone s shorter and more personal essays is the perfect complement to his earlier writing and a compelling introduction to the life s work of America s most respected country music historian Spirit of Rebellion Jarod Roll,2010-04-15 Treats the developments in tenant farming communities black and white in Missouri s bootheel in the 1930s **Cracker Times and Pioneer Lives** James M. Denham,Canter Brown,Canter Brown Jr,2003 Brings together the reminiscences of two pioneers who came of age in antebellum Florida s Columbia County and the nearby Suwannee River Valley Though they held markedly different positions in society the two shared the adventure hardship and tragedy that characterized Florida s pioneer era *Reform, Red Scare, and Ruin* James Smallwood,2008-03-06 Virginia Durr of Alabama was a major reformer whose public career spanned almost fifty years She fought against the Poll Tax and other restrictions of the franchise that stopped millions of

whites and blacks from voting a development favoring only the Souths aristocracy She became a leader of the Southern Conference on Human Welfare and the Southern Conference Education Fund Most notably she directed the National Committee to Abolish the Poll Tax As well she actively participated in the Civil Rights Movement by working with people like Martin Luther King Jr and Mary McLeod Bethune Because of her reform activism Durr became a target of J Edgar Hoovers FBI Americas secret police and the House Committee on Un American Activities She along with her husband was hounded by reactionaries from 1938 through the early 1960s In the United States in the modern era suppression did not begin with President George Bush rather suppression began much earlier Virginia Durrs career is a case in point **Goldberger's War** Alan M. Kraut,2021-05-25 For fans of Guns Germs and Steel Alan M Kraut s Goldberg s War tells the story of one doctor s courageous journey to cure deadly diseases and epidemics Goldberger s War chronicles one of the U S Public Health Service s most renowned heroes an immigrant Jew who trained as a doctor at Bellevue became a young recruit to the federal government s health service and ended an American plague He did so by defying conventional wisdom experimenting on humans and telling the South precisely what it didn t want to hear Kraut shows how Dr Goldberger s life became quite literally the stuff of legends On the front lines of the major public health battles of the early 20th century he fought the epidemics that were then routinely sweeping the nation typhoid yellow fever and the measles After successfully confronting and often contracting the infectious diseases of his day in 1914 he was assigned the mystery of pellagra a disease whose cause and cure had eluded the world for centuries and was then afflicting tens of thousands of Americans every year particularly in the emerging New South Engrossing story of an American medical hero The New England Journal of Medicine

A Treasure Chest of Hidden History Rusty Glover,2013-09-16 As a high school history teacher for the past 25 years I have collected and read hundreds of books pertaining to my subjects taught On the completion of each book I would carefully take notes on the most interesting events quotes or interpretations that I felt would enhance instruction for my students After filling numerous notepads of information on over 800 books I contemplated a project of sharing my most interesting findings The result of this twenty plus year project is this book This book is divided into 16 chapters based on the various topics presented Some chapters contain a small amount of entries such as Nicknames Espionage or Labor while chapters on the Presidents or quotes will fill over thirty pages The first chapter puts emphasis on the role my home state of Alabama has played on the national scene One chapter is entitled Miscellaneous Odds and Ends due to the subject matter not fitting into any other classification Speaking of Alabama Thomas E. Nunnally,2018-12-18 Informative and entertaining essays on the accents dialects and speech patterns particular to Alabama Thomas E Nunnally s fascinating volume presents essays by linguists who examine with affection and curiosity the speech varieties occurring both past and present across Alabama Taken together the accounts in this volume offer an engaging view of the major features that characterize Alabama s unique brand of southern English Written in an accessible manner for general readers and scholars alike Speaking of Alabama

includes such subjects as the special linguistic features of the Southern drawl the phonetic divide between north and south Alabama code switching by African American speakers in Alabama pejorative attitudes by Alabama speakers toward their own native speech the influence of foreign languages on Alabama speech to the vibrant history and continuing influence of non English languages in the state as well as ongoing changes in Alabama s dialects Adding to these studies is a foreword by Walt Wolfram and an afterword by Michael B Montgomery both renowned experts in southern English which place both the methodologies and the findings of the volume into their larger contexts and point researchers to needed work ahead in Alabama the South and beyond The volume also contains a number of useful appendices including a guide to the sounds of Southern English a glossary of linguistic terms and online sources for further study Language as presented in this collection is never abstract but always examined in the context of its speakers day to day lives the driving force for their communication needs and choices Whether specialist or general reader Alabamian or non Alabamian all readers will come away from these accounts with a deepened understanding of how language functions between individuals within communities and across regions and will gain a new respect for the driving forces behind language variation and language change **Wiregrass**

**Country** Jerrilyn McGregory, 2010-09-30 A look at a fascinating Deep South region and its distinctive way of life Cultural

Diversity in the United States Larry Naylor, 1997-01-14 This collection of readings provides the reader with a basic introduction to the topic and concepts of cultural diversity as it has come to characterize the culture of the United States Particular attention is given to the practice of racial ethnic and special interest group characterizations No other book is as complete in its coverage of the diverse cultural groupings that make up the American culture This unique work serves as a first step in beginning the quest for greater understanding and appreciation of diversity Thomas Goode Jones Brent J.

Aucoin, 2016-07-15 Thomas Goode Jones of Alabama is the first comprehensive biography of a key Alabama politician and federal jurist whose life and times embody the conflicts and transformations in the Deep South between the Civil War and World War I The Southern Middle Class in the Long Nineteenth Century Jonathan Daniel Wells, Jennifer R.

Green, 2011-12-12 The Southern Middle Class in the Long Nineteenth Century provides a series of provocative essays reflecting innovative original research on professional and commercial interests in a region often seen as composed of just two classes planters and slaves This study shows however that the active middle class devoted to cultural and economic modernization of the region worked in tandem with its northern counterpart and independently to bring reforms to the South

*Alabama Politics in the Twenty-First Century* William H. Stewart, 2016-09-06 An expansive and accessible primer on Alabama state politics past and present which provides an in depth appreciation and understanding of the twenty second state s distinctive political machinery Why does Alabama rank so low on many of the indicators of quality of life Why did some of the most dramatic developments in the civil rights revolution of the 1960s take place in Alabama Why is it that a few interest groups seem to have the most political power in Alabama William H Stewart s Alabama Politics in the Twenty First

Century explores these questions and more illuminating many of the often misunderstood details of contemporary Alabama politics in this cohesive and comprehensive publication The Alabama state government especially as a specimen of Deep South politics is a topic of frequent discussion by its general public second only to college football However there remains a surprising lack of literature focusing on the workings of the state s bureaucracy in an extensive and systematic way Bearing in mind the Yellowhammer State s long and rich political history Stewart concentrates on Alabama s statecraft from the first decade of the twenty first century through the November 2010 elections and considers what the widespread Republican victories mean for their constituents He also studies several different themes prominent during the 2010 elections including the growing number and influence of special interest groups the respective polarization of whites and blacks into the Republican and Democratic parties and the increasingly unwieldy state constitution This fascinating and revealing text provides a wealth of information about an extremely complex state government Featuring detailed descriptions of important concepts and events presented in a thorough and intelligible manner Alabama Politics in the Twenty First Century is perfect for scholars students everyday Alabamians or anyone who wants the inside scoop on the subtle inner workings of the Cotton State s politics

**The Conquest of Labor** Curtis J. Evans, 2014-12-12 The Conquest of Labor offers the first biography of Daniel Pratt 1799 1873 a New Hampshire native who became one of the South s most important industrialists After moving to Alabama in 1833 Pratt started a cotton gin factory near Montgomery that by the eve of the Civil War had become the largest in the world Pratt became a household name in cotton growing states and Prattville the site of his operations one of the antebellum South s most celebrated manufacturing towns Based on a rich cache of personal and business records Curtis J Evans s study of Daniel Pratt and his Yankee town in the heart of the Deep South challenges the conventional portrayal of the South as a premodern region hostile to industrialization and shows that contrary to current popular thought the South was not so markedly different from the North

**History and Hope in the Heart of Dixie** Gordon E. Harvey, Richard D. Starnes, Glenn Feldman, 2006-08-20 Can any good thing come from Auburn John Shelton Reed Revisiting race relations in an Upland South community Lacrosse Arkansas Brooks Blevins Southern accents the politics of race and the passage of the Economic Opportunity Act of 1964 Susan Youngblood Ashmore Is there a balm in Gilead Baptists and reform in North Carolina 1900 1925 Richard D Starnes The beginnings of interracialism Macon Georgia in the 1930s Andrew M Manis Race class the Southern conference and the beginning of the end of the New Deal coalition Glenn Feldman Wallaceism is an insidious and treacherous type of disease the 1970 Alabama gubernatorial election and the Wallace freeze on Alabama politics Gordon E Harvey Divide and conquer interest groups and political culture in Alabama 1929 1971 Jeff Frederick The scholar as activist Dewayne Key Evangelist for constitutional reform Bailey Thomson The historian as public policy activist Dan T Carter
