SOCIAL WORK IN JUVENILE AND CRIMINAL JUSTICE SYSTEMS (4th Ed.)

David W. Springer, Albert R. Roberts, 2017-05-16 Social Work in Juvenile and Criminal Justice Systems sets the standard of care for mental health treatment and the delivery of social services to crime victims juvenile and adult offenders and their families The chapters all authored by experts in the field and all committed to the mission of social justice are written with the clear understanding that we cannot study criminal justice in a vacuum Therefore a major focus of the book is on the renewed growing sense of the profession's obligation to social justice Each chapter interconnects with the various components of juvenile and criminal justice Another prominent aspect of the book is that it is strength based It views those involved in the criminal and juvenile justice systems as individuals rather than inmates or criminals each with unique positive talents and abilities The book is divided into four sections The first section discusses forensic social work including crime and delinquency theories trends and ethical issues The second section prepares social workers for practice in correctional institutions and explores crisis intervention with victims of violence reentry of adult offenders in society and aging in prison The third section covers assessment and intervention in child sexual

abuse mental health and substance abuse interpersonal violence and prevention child welfare and juvenile justice The final section presents an overview on social work in the twenty first century which includes restorative justice and the justice system new ways of delivering justice domestic violence neighborhood revitalization race and ethnicity and social work practice with LGBTQ offenders This book will be the best single source on social work in criminal justice settings and will prove to be an invaluable resource for the many professionals who have responsibility for formulating and carrying out the mandates of the criminal justice system

Classroom Communication and Diversity Robert G. Powell, Dana L. Powell, 2015-09-16 Classroom Communication and Diversity provides a useful framework for helping both new and experienced teachers and instructors navigate the communication challenges in today's diverse classroom. It encourages teachers to reflect on how their personal cultures influence their expectations regarding classroom communication. This textbook is distinctive in its distillation of research from numerous sources to provide the best viewpoint and systems for focusing on the needs of the individual learner. Dana L. Powell and Robert G. Powell draw on research in both the communication and education disciplines and provide useful strategies for improving teaching practices alongside theoretical models regarding diversity in the classroom. Much of the information found in this text is also inspired by the authors' direct experience in schools and from the experience they have gleaned from other first-line instructors as well as from parents and children. Among the many updates to this Third Edition are: Expanded coverage of students with diverse needs. Discussion on working effectively with parents. Coverage of cultural influences and the impact of race and ethnicity on disciplinary actions. Examination of the role of social media and its impact on instructional communication. The increase of educational technology use. Teachers and scholars in the communication and education fields will find this text practical and valuable for their teaching efforts and it is appropriate for instructional communication courses in both disciplines.
