could be applied when conducting a reading whether it be spiritual love general or work related questions Many novices struggle with reading the Tarot as they want to know what a card can mean in their readings They grow stuck staring at several cards sitting side by side having no idea what it could be telling them The Tarot Card Meanings book can assist by pointing you in the general direction of where to look It will not give you the ultimate answers and should not be taken verbatim as that is up to you as the reader to come to that conclusion The more you practice read and study the Tarot then the better you become Tarot Card Meanings avoids diving into the Tarot history or card spreads and symbolism but instead focuses solely on the potential meanings of a card in a reading This is by giving you a structure to jump off of but it is up to you to take that energy and add the additional layers to your reading while trusting your higher self intuition instincts and Spirit team s guidance and messages Author Kevin Hunter is a lifelong clairaudient and claircognizant who has written more than a dozen spiritually based empowerment books that have assisted readers around the world in improving their well being while also helping them become stronger conduits with Spirit Heaven and the Other Side Anything included in the Tarot Card Meanings book is an overview and not intended to be gospel It is merely one suggested version of the potential meanings of each of the 78 Tarot cards in a reading This is an easy to understand manual for the Tarot novice that is having trouble interpreting cards for themselves or a Tarot reader who loves the craft and is looking for a refresher or another point of view NOTE The Tarot Card Meanings book does not include a Tarot deck **The Final Exodus** Apostle Frederick E.
