Billy J. Owensby, 2015-09-04 The book of Revelation is one of the most exciting books in all of God's Word Yet for many it is one of the most confusing Revelation The Time Is Near will give the pastor teacher and the Bible student a greater understanding of God's plan for the ages You can be aware of coming events such as the Rapture of the church the Second Coming of Christ the Antichrist and the mark of the beast and other prophetic events Revelation The Time Is Near is an exegesis of the book of Revelation God's Word will come alive as you walk through the pages of this book *The Time Is Near*

Ian Foley, 2016-05-31 The Time Is Near the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of God's plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts The Time Is Near presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events The Time Is Near invites readers reflection and testing In a time in which the worldwide church faces great challenges The Time Is Near speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next *Because the Time is Near*

John MacArthur, 2007-03-01 Not only is Revelation the inspired Word of God it is also the only New Testament book that includes a promised spiritual blessing for those who heed its message If you read and obey the words of Revelation God promises that you will be blessed **The Time Is Near**

Robb Moser, 2017-12-14 Jesus said in the great commission of Matthew 28 16 20 But the eleven disciples proceeded to Galilee to the mountain which Jesus had designated When they saw Him they worshiped Him but some were doubtful And Jesus came up and spoke to them saying all authority has been given to Me in heaven and on earth Go therefore and make disciples of all the nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them

to observe all that I commanded you and lo I am with you always even to the end of the age The end of the age in this passage means the end of the church age the church has been on the earth for 2 000 years He who has an ear let him hear the time is near I wrote this book The Time is Near about the book of Revelation in the Bible Revelation is the last book in the Word of God and gives the reader an inside look at the things to come at the end The revelation of Jesus Christ is not a revelation of man Many inside and outside the church have tried to explain it Most believers and unbelievers have ignored it It s important to keep in mind that the Bible is not a complex book as a whole therefore the book of Revelation should not be viewed as too difficult to understand The text of Scripture used in this book is paraphrased from the King James Version KJV for reader clarity and quoted New American Standard Bible NASB for cross reference Both the KJV and NASB are considered two of the most literal translations of the original Hebrew and Greek texts God sent this final message to explain the things at the end of the church age The book is divided into three parts the past the present and the future Although there are abstract verses the symbolic language always represents a reality behind the passage The word Revelation means uncover It brings to light Jesus Christ reveals Himself to man If you keep this in mind the mystery of Revelation is really no mystery at all What was not known about God can be known As we work our way through the Scripture I ll keep the focus on the literal interpretation of text Because our sinful nature wants to deny the revealed truth of God my goal is not to read in between the lines I think the words speak for themselves We are all guilty of taking the words of others out of context so lets not do that with the words of God either Remember the value of the text is found when it makes sense Sometimes what is true is hard to accept but it s valuable to know For example we all die Revelation is simple to understand when we keep it simple and avoid over thinking it I have included some famous names inside and outside the church Names known I did this on purpose I didn t do it to be mean I didn t do it to hurt the feeling of those that follow them Read and hear this important Bible verse Paul said to the church in Ephesus to be imitators of God in Ephesians 5 11 Do not participate in the unfruitful deeds of darkness but instead even expose them So I name names based on the need to expose false prophets false teachers and false religions I ve laid the ground work regarding the background of this book lets get started About the Author Robb Moser is saved by Grace alone through Faith alone in Christ alone according to Scriptures alone for the glory of God alone Robb is a minister from Genesis to Revelation the publisher of Verse to Verse and pastor of The Way Moser preaches the Word of God and teaches the Gospel of Jesus Please visit www.versetoverse.org or contact Robb Moser at email versetoverse.org for more information Robb graduated with a marketing degree from San Diego State and retired from a 30 year corporate sales career with large companies in multiple industries Moser completed truck driving school and delivers industrial gas in tanker trailers Moser Co 19927 County Road 26 2 Dolores Colorado 81323 2017 Moser Co All Rights Reserved **End Times** Thomas P Nass,2011-07-01 What are the End Times in the Bible What did Jesus mean when he said Behold I am coming soon A thorough examination of biblical end times teachings this book looks at the topics of death judgment heaven and hell

series in four distinct sections *The Left Behind Sensation Putting Tim LaHaye's Literalism to the Test the Theology Behind Left Behind and What Does it Mean and What Does it Matter* Readers will learn to develop a simple method of Bible interpretation and to assess the impact of Left Behind on the future of the church and our society **End Time Signs** Kurt B. on and were produced also in later centuries One of the most characteristic features of these texts is their specific interpretation of history based on the knowledge about the upper divine realm and the world to come Against this background the volume deals with a wide range of apocalyptic texts from different periods and various religious backgrounds
