CHAPTER 7 Engines Now

Abstract

12. Community Group: What's your community's programming for after graduation? Willing to share both successes and some challenges with each other? How is that going?

Partnership with the community is a key factor in the success of the program. The program is a partnership between the community and the government. The community is responsible for the implementation of the program, while the government provides the necessary resources and support. The program is a joint effort between the community and the government, and it is this partnership that makes the program successful.

13. Paraphrasing: In which you restate the author's main idea in your own words.
