**Insights into Uganda** Kevin OConnor,2016-06-13 Insights into Uganda is a selection of newspaper articles written by columnist Kevin OConnor for the Sunday Monitor drawn almost entirely from 2007 to 2015

Divided into 13 chapters ranging from sex to religion and from inequality to the environment the 193 articles are always thoughtful often provocative and sometimes humorous The text is further enlivened by Moses Balagaddes cartoons Kevin provides a multitude of insights into Ugandan society which amply reflect both the title of his column Roving Eye and his catchphrase For the observer of human behaviour every scene has its interest

**Nigeria: an Experiment in Nation Building** Charles Akujieze,2019-05-08 In this painstakingly updated and comprehensive political masterpiece Charles Nnaemeka Akujieze explores Nigeria s pre colonial colonial and postcolonial history and current affairs in Nigeria politics and administration and presents a nuanced explanation of events and circumstances that have dangerously flung this complex dynamic and troubled giant to the brink It is one of the most updated and comprehensive analysis of Africa s most important and populous nation that has been undermined in recent decades by ethnic and religious conflict political instability rampant corruption and an ailing economy

Who Owns the Problem? Pius Adesanmi,2020-02-01 How may we conceptualize Africa in the driver s seat of her own destiny in the twenty first century How practically may her cultures become the foundation and driving force of her innovation development and growth in the age of the global knowledge economy How may the Africanist disciplines in the humanities the social sciences and the natural sciences be revamped to rise up to these challenges through new imaginaries of intersectional reflection This book assembles lectures given by Pius Adesanmi that address these questions Adesanmi sought to create an African world of signification in which verbal artistry interpellates performer and audience in a heuristic process of knowledge production The narrative and delivery of his arguments the antiphonal call and response and the aspects of Yoruba oratory and verbal resources all combine with diction and borrowings from Nigerian popular culture to create a distinct African performative mode This mode becomes a form of resistance specifically against the pressure to conform to Western ideals of the packaging standardization and delivery of knowledge Together these short essays preserve the committed and passionate voice of an African writer lost far too soon Adesanmi urges his readers to commit themselves to Africa s cultural agency

*China's Digital Nationalism* Florian Schneider,2018-08-16 Nationalism in China as much as elsewhere is today adopted filtered transformed enhanced and accelerated through digital networks And as we have increasingly seen nationalism in digital spheres interacts in complicated ways with nationalism on the ground If we are to understand the social and political complexities of the twenty first century we need to ask what happens to nationalism when it goes digital In China s Digital Nationalism Florian Schneider explores the issue by looking at digital China first hand exploring what search engines online encyclopedias websites hyperlink networks and social media can tell us about the way that different actors construct and manage a crucial topic in contemporary Chinese politics the protracted historical relationship with neighbouring Japan Using two cases the infamous Nanjing Massacre of 1937 and the ongoing disputes over islands in the East China Sea Schneider shows how various stakeholders in China construct networks and deploy power to shape nationalism for their own ends These dynamics

provide crucial lessons on how nation states adapt to the shifting terrain of the digital age and highlight how digital nationalism is today an emergent property of complex communication networks **Picturepedia** DK,2020-10-13 Science and technology nature geography culture sports and hobbies and history all combine in this mind blowing visual encyclopedia From incredible insects and musical instruments to spacecraft and prehistoric life and from art and earthquakes to American football and dogs Picturepedia gives you a world of information on every page Did you know that more than half of the human body's weight is water and that a koi carp can live for more than 200 years Or how about there being more than 20 000 islands in the Pacific Ocean or that Turkey eats the most bread with each person getting through 104 6 kg 230 5 lb of it per year First published in 2015 Picturepedia has been revamped into a more thrilling edition that will take you on a visual odyssey This brilliant book is crammed with stunning photographs gripping information and explanatory diagrams that allow for fascinating discoveries New and updated and jam packed with thousands of pictures and fascinating facts about science nature culture sports and history Picturepedia is the ultimate visual encyclopedia **The Other "F" Word** John Danner,Mark Coopersmith,2015-03-04 Leverage the power of failure in your organization Nobody wants to fail but failure is a fact of life Most of us treat it as a regrettable even shameful event best overlooked In truth failure can be a game changing strategic resource that can help you and your organization achieve the greater success you crave The Other F Word shows how successful leaders and teams are putting failure to work every day to re engage employees spark innovation and accelerate growth Authors Danner and Coopersmith with their rare blend of senior level executive experience global advising teaching acumen and cross discipline perspective share these valuable new practices and show how they can improve results across your organization Based on exclusive interviews with prominent leaders and insightful examples from their own in depth work the book features a practical seven stage framework to liberate failure as a force to advance your leadership agenda After all everyone creates and confronts failure on a daily basis Why not use it to your advantage The Other F Word shows you how to Start an open productive conversation about failure across your organization Reduce the fear of failure that stifles initiative creativity and engagement Anticipate prepare for and respond to failure so you can leverage it when it happens Harness failure as a catalyst to drive innovation improve performance and strengthen culture Failure's like gravity pervasive and powerful Whether you're a leader or team member of a startup a growing business or an established enterprise failure is today's lesson for tomorrow Let The Other F Word show you how to apply this lesson and take your company where it needs to go **Коммерсантъ 180-2014** Редакция газеты Коммерсантъ (понедельник-пятница),2015-05-20 **The Philippine Archipelago** Yves Boquet,2017-04-19 This book presents an updated view of the Philippines focusing on thematic issues rather than a description region by region Topics include typhoons population growth economic difficulties agrarian reform migration as an economic strategy the growth of Manila the Muslim question in Mindanao the South China Sea tensions with China and the challenges of risk vulnerability and sustainable development **Parliamentary Debates**

**(Hansard)**. Great Britain. Parliament. House of Commons, 2013 *Patient-Perspective Care* Timothy A. Carey, 2017-11-30 Inappropriate health care is an escalating and expensive problem It affects high income middle income and low income countries and wastes billions of dollars annually as well as harming individuals and communities Inappropriate care refers to both the overuse and underuse of tests and treatments and ironically can occur concurrently within the same health system Even though patient centred care is still the prevailing ethos specifying where patients should be situated geographically has not required health professionals to consider the preferences values and priorities of patients when making treatment decisions Patient perspective care demands that the decisions health professionals make are in the service of patient s goals Health care ultimately is helping individuals to live the lives they would wish for themselves In order to meet this imperative health professionals must work towards understanding what their patients would like to achieve through their engagement with health services This book details the extent and scope of inappropriate care and how we have arrived in this position The necessity for patient perspective care is outlined and provides a theoretical framework that explains why patient perspective care is so critical The implications of this theory are then explored and specific strategies for moving towards a patient perspective approach are discussed This book is entirely original and describes a novel fresh approach to delivering health services Many long standing and expensive problems such as missed appointments will disappear and patients will be more satisfied with the treatments they receive Health services generally will be more efficient and effective leading to more sustainable and affordable health care
