Kopacz,2016-06-21 A mans past will always be seen Father Daniel kept a close eye on the world He recorded his confessions amoung other things in his Church While dealing with an angry enemy and a frustrated love sick crush he must try to deal with life All this on his trusted laptop What happens when the laptop gets stolen What will he do to get it back Murder Suspense Sex Will he live to tell the tale *Unveiled* Vincent Fantauzzo,2025-03-04 Raised amid poverty and violence on the poor streets of Melbourne Vincent Fantauzzo was just a boy when he accepted he would either die very young become a gangster or end up behind bars Tormented by a troubled home life and dismissed as a simpleton at school where he struggled to read and write Vincent projected a violent and frightening persona as a means of self protection Inside that tough exterior however lived a thoughtful sensitive and creative boy whose only wish was to be loved and to one day break free of the intergenerational dysfunction he seemed doomed to inherit He could never have imagined how far his dream of a better life and an uncanny knack for drawing would take him Virtually illiterate Vincent used forged papers to hustle his way into art school where dark secrets threatened to sink his brilliant career before it even began Today his work hangs in galleries around the world including the National Portrait Gallery and Federal Parliament House in Canberra He s sold out international exhibitions won the Archibald Prize People s Choice Award more times than any artist and taken out the Doug Moran Portrait Prize Twice Arguably Vincent s most impressive and important achievement is his survival and the remarkable sometimes ridiculous and occasionally glamorous life he willed into existence despite severe and undiagnosed dyslexia that left him with no formal education and debilitating memory problems Sometimes tragic often hilarious but always deeply moving *Unveiled* is a paint spattered star studded white knuckle ride from the Housing Commission ghettos of Australia to the art galleries of Hong Kong through the back roads of India and into the nightclubs of New York as Vincent chases his dream with humility humour and a boundless love for people and a life better lived The Stranger Upstairs Lisa M. horrifying past a series of bizarre accidents threatening notes and unexplained footsteps in the attic only confirm for Sarah what the rest of the town already knows Something is very wrong in that house With every passing moment Sarah s life spirals further out of control and with it her sense of reality But as she peels back the curling wallpaper and discovers the house s secrets she realizes that the deadly legacy of Black Wood House has only just begun *The Contractor* Mark Abernethy,2017-07-25 these are stories crying out to be turned into a gritty television drama think a true story version of The Night Manager Sydney Morning Herald I fix things I can build you a house or remodel your bathroom I can also make bad situations and bad people disappear Meet Mike Runs a building site drives a ute likes a beer loves his nail gun But Mike is hiding in plain sight When the Pentagon call him in as Big Unit he s another kind of contractor one as handy with a Colt M4 as he is with a Skilsaw a man as accustomed to danger death and pain as he is to a hammer and nails In six action packed true stories we follow a man who left foreign intelligence for a life on the tools only to discover there s too many dangerous scenarios and terrible people still out there The good guys need a James Bond in Blundstones They need The Contractor Tradie Spy Big Unit Follow Big Unit as he goes undercover to save a family trapped by an ISIS run drug cartel in the seedy back streets of Northern Pakistan to terrorist besieged Paris to a deadly game of cat and mouse with Australia s most wanted murderer **SHORTLISTED FOR THE NED KELLY AWARD FOR BEST TRUE CRIME 2018** *The Meaning of Existence (and Other Short Stories)* Stuart McCullough,2011 Romance Adventure Mystery This book has none of these things What it does have in spades is a bunch of very short stories many of which were first published in the local newspaper For too long short stories have not been nearly short enough The collection you re holding in your hot little hands aims to remedy this The Meaning of Life And Other Short Stories is a collection of Stuart McCullough s best writing Rest assured that the short stories included in this collection have all either been hand picked or at the very least right mouse clicked and dragged to ensure that only the absolute cream of the crop has ended up between the covers **Dale Forebearing Secrets** Rhionnan Paulmer, **How to Dodge Flying Sandals and Other Advice for Life** Daniel Nour,2025-05-27 If you ve ever had someone try to arrange a marriage for you If you have so many cousins you can t remember all their names If your parents only show love through food and unsolicited advice If your family still thinks your roommate is just a great friend Then this book is for you And if you ve never experienced any of this Well aren t you just a little curious Meet Daniel Nour Egyptian and Australian loud and painfully awkward conservative and very confused especially about other boys He s never quite pulled off normal but not normal is where the best stories are Now he s made his peace with that and is ready to share his wisdom in this highly unreliable ethnic memoir Told as a series of snapshots from Daniel s life from How to Be Born to How to Die and everything in between this is a sharply funny tale of culture family and trying but not always managing to come of age At turns wildly absurd sharply insightful and disarmingly heartfelt How to Dodge Flying Sandals and Other Advice for Life is a fresh take on growing up in Australia **Bogan Proof Fences** Brendan Lee,2011 **Australian Books in Print 1999** K G
