Politicians at Night Gonen Dori-Hacohen, Eean Grimshaw, Menno H. Reijven, 2024-02-19 *Politicians at Night* Interaction and Discourse on the Entertainment Political Interview studies the exchanges between presidential candidates and talk show hosts on broadcast late night shows in the United States Gonen Dori Hacohen Eean Grimshaw and Menno H Reijven use various language and social interaction frameworks including membership categorization analysis conversation analysis narrative analysis and semiotics They develop a broad understanding of the Entertainment Political Interview EPI and cultural role They discuss how politicians use pronouns to achieve inclusion and exclusion Similarly the authors demonstrate how and why the hosts ask softball questions Unlike these two elements that create politics the authors demonstrate how politicians use stories to present themselves like celebrities They then demonstrate how politicians intersect with entertainment when they analyze one specific segment called Slow Jam the News on The Tonight Show with Jimmy Fallon The linking of the politician to entertainment is part of the final argument of the book where the authors critically examine the EPI as part of a myth since it vacates the politics of its original form while maintaining a facade of politics EPI promotes a capitalist neoliberal ideology that is at the root of both entertainment and politics in the U S *The Book of Answers* Tanya Stivers, 2022 Imagine for a moment the only way to confirm a yes no question was by saying Yeah How different would this make our communication Relying on a large corpus of naturally occurring recordings of spontaneous social interaction this book explores all of the ways that we confirm questions in our everyday social lives Tanya Stivers analyzes what these different ways of responding allow us to do that is unique to each answer type When do we answer with Yeah rather than He is for instance or when do we use more complicated forms of confirming This information provides us with the basic response possibility space From that point we can examine what the range of responses in particular answers tells us about what is important to us in managing social relationships through social interaction The book explains that we can conceptualize the response possibility space as having three dimensions alignment autonomy and affiliation Speakers rely on the details of their response to position themselves at a particular point in that three dimensional space sometimes accepting trade offs among the dimensions to achieve a stance that is higher in alignment and autonomy and lower in affiliation or higher in affiliation and autonomy but lower in alignment The Book of Answers uses real life conversations to find hidden patterns in how we do things together such as reach decisions tell stories or arrive at agreement or disagreement Delving into the science of how we talk this book investigates what those patterns tell us about human communication and our social lives

**Single Best Answer MCQs in Anaesthesia** Cyprian Mendonca, Mahesh Chaudhari, Josephine James, 2010-09-01 The single best answer format of questions is invaluable in assessing a trainee's clinical skills and problem solving abilities It allows the trainee to demonstrate application of their knowledge to clinical practice This book comprises six sets of practice papers Each set contains 30 single best answer questions which cover topics including clinical anaesthesia pain and intensive

care The questions are based on the recent changes introduced to the written part of the final FRCA examination The best possible answer to a given clinical scenario is substantiated by a detailed explanation drawn from recent review articles and textbooks in clinical anaesthesia These questions will enable candidates to assess their clinical knowledge and skills in problem solving data interpretation and decision making This book is essential study material for candidates sitting postgraduate examinations in anaesthesia and intensive care medicine It is not only an essential guide for trainees but also an invaluable educational resource for all anaesthetists

**Slumming** Seth Koven,2006-07-24 In the 1880s fashionable Londoners left their elegant homes and clubs in Mayfair and Belgravia and crowded into omnibuses bound for midnight tours of the slums of East London A new word burst into popular usage to describe these descents into the precincts of poverty to see how the poor lived slumming In this captivating book Seth Koven paints a vivid portrait of the practitioners of slumming and their world who they were why they went what they claimed to have found how it changed them and how slumming in turn powerfully shaped both Victorian and twentieth century understandings of poverty and social welfare gender relations and sexuality The slums of late Victorian London became synonymous with all that was wrong with industrial capitalist society But for philanthropic men and women eager to free themselves from the starched conventions of bourgeois respectability and domesticity slums were also places of personal liberation and experimentation Slumming allowed them to act on their irresistible attraction of repulsion for the poor and permitted them with society's approval to get dirty and express their own dirty desires for intimacy with slum dwellers and sometimes with one another Slumming elucidates the histories of a wide range of preoccupations about poverty and urban life altruism and sexuality that remain central in Anglo American culture including the ethics of undercover investigative reporting the connections between cross class sympathy and same sex desire and the intermingling of the wish to rescue the poor with the impulse to eroticize and sexually exploit them By revealing the extent to which politics and erotics social and sexual categories overflowed their boundaries and transformed one another Koven recaptures the ethical dilemmas that men and women confronted and continue to confront in trying to love thy neighbor as thyself
