The Gospel of John Frederick Dale Bruner, 2012-02-22 The author of a much-loved two-volume Matthew commentary in 1990 that he greatly revised and expanded fourteen years later, Frederick Dale Bruner now offers *The Gospel of John: A Commentary*, more rich fruit of his lifetime of study and teaching. Rather than relying primarily on recent scholarship, Bruner honors and draws from the church's major John commentators throughout history, including Augustine, Chrysostom, Aquinas, Luther, Calvin, Bultmann, Barrett, and many more. Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text, references to recent scholarship, and his pastoral application of the Gospel to present-day experience. Like Bruner's other work, this commentary is rich in biblical insights, broadly historical, and deeply theological. Here is what Eugene Peterson said about Bruner's earlier work on Matthew: "This is the kind of commentary I most want: a theological wrestling with Scripture. Frederick Dale Bruner grapples with the text not only as a technical exegete, although he does that very well, but as a church theologian caring passionately about what these words tell us about God and ourselves. His Matthew commentary is in the grand traditions of Augustine, Calvin, and Luther: expansive and leisurely, loving the text, the people in it, and the Christians who read it. The same could well

be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike *Sunday School Times*, 1893 **The Curriculum and Small Group Resource Guide** Judy Hamlin, 1991 **The Nation**, 1865 **KJV Life Application Study Bible** Tyndale, 2021-10 Discover how you can apply the Bible to your life today with the enduring choice embraced by more than 20 million readers across three decades the 1 best selling Life Application Study Bible Experience profound transformation as you find even more relevant insights for understanding and applying God's Word to contemporary life in fresh ways Experience the heightened readability of 11 point font in this large print edition crafted for those who appreciate the ease and clarity of larger text Now with an invigorating three color interior design and updated study notes and features this KJV study Bible will help you understand God's Word better than ever It answers your real life questions about the Bible text itself and also provides practical yet powerful ways to apply the Bible to your life every day Study the stories and teachings of the Bible with verse by verse commentary Gain wisdom from people in the Bible by exploring their accomplishments and learning from their mistakes Survey the big picture of each book through overviews vital statistics outlines and timelines and grasp difficult concepts using in text maps charts and diagrams all to help you do life God's way every day Features Enhanced updated and with new content added throughout Now more than 10 000 Life Application study notes and features curated to address your questions and guide you through life's challenges Over 100 Life Application profiles of key Bible characters provide inspiration and guidance for your unique journey Introductions and overviews for each book of the Bible serve as a compass for your exploration helping you to navigate the Bible and glean deeper meaning Highly readable 11 point typeface Full text of the classic Holy Bible King James Version KJV More than 500 maps charts strategically placed for quick reference facilitating easier Bible study for visual learners and enhancing your comprehension Dictionary concordance empower you to embark on a thorough and satisfying study of the Scriptures extensive side column cross reference system to facilitate deeper study Effortless navigation through the Life Application index to notes charts maps and profiles Durable Smyth sewn binding made for frequent use and lays flat when open Presentation page to make this KJV Bible uniquely yours Single column format for a focused reading journey Christian Worker's Resource a special supplement to enhance your ministry effectiveness The words of Jesus are in red letters making his teachings stand out Discover why the Life Application Study Bible is the best selling study Bible
