William Scott Ament, Missionary of the American Board to China Henry Dwight Porter, 1911 *Reformed Church Messenger*, 1909 *Liturgical Catechesis of Sunday Celebrations in the Absence of a Priest* Veronica C. Rosier, 2002 The number of Catholic communities with no priest available to celebrate Sunday Eucharist has increased steadily over 60 years For many other forms of Sunday celebration are the statistical norm This dramatic development coincides with Vatican II's insistence on liturgical catechesis for the baptised the main source of their Christian spirit comes from active participation in the liturgy especially the Sunday Eucharist Celebrating the liturgy in all its symbolic fullness leads to inner participation in the mystery A more profound appropriation of this living relationship with Christ comes about through well celebrated rites and reflection on personal experience of the rites Yet liturgical catechesis is largely ignored or dismissed because it is not understood Liturgical celebrations frequently lack the vitality capable of leading people into the depth of the sacred mysteries they celebrate Sunday celebrations in the absence of a priest are no exception This book presents a systematic

treatment of the modern church's teaching on liturgical catechesis. It proposes ten general principles of liturgical catechesis. These principles are used to explore and criticize the Directory for Sunday Celebrations in the Absence of a Priest 1988 as well as the rituals prepared from the Directory by the USA and Canada. Even when there can be no Sunday Mass in parishes, hospitals and nursing homes, navy ships and jails, liturgical prayer is to be a privileged place of evangelisation, catechesis, spirituality and discipleship in Christ.

[Worship at a Crossroads](#) Melinda A. Quivik, 2023-04-13. This book calls Protestant churches and the ELCA in particular to a church-wide conversation about racism. It is a response to the 2019 book *Dear Church* by Lenny Duncan, a former Lutheran pastor who is Black and who, among other reparations, calls for changing the church's worship in order to address segregated Sundays. Changes in worship affect theological foundations. Informed consideration is essential. Because entering into life-changing conversations requires vulnerability and commitment, this book includes several narratives: my life as a White woman and pastor, the history of the Black church as defined by Black theologians, the development of the liturgical renewal movement and my experiences as a professor navigating worship conflicts as my seminary struggled with financial constraints and a changing student body. The seminary conflicts offered me a window into how better to address

racism inspired by the example of post WWII German truth telling and how some US Southern states have come to grips with the history of the Jim Crow South described in Susan Neiman's *Learning from the Germans* This book outlines a way forward for churches in responding to racism by encouraging healthy engagement with contentious relationships as a necessity for healing
