Restorative Eating Program Documentation Flow Sheets:

Restorative Care Nursing for Older Adults Barbara Resnick, 2004-07-28 The purpose of restorative care nursing is to take an active role in helping older adults maintain their highest level of function thus preventing excess disability This book was written to help formal and informal caregivers and administrators at all levels to understand the basic philosophy of restorative care and be able to develop and implement successful restorative care programs The book provides a complete 6 week education program in restorative care for caregivers many suggestions for suitable activities and practical strategies for motivating both older adults and caregivers to engage in restorative care In addition the book provides an overview of the requirements for restorative care across all settings the necessary documentation and ways in which to complete that documentation

Nursing Homes Explained Delia Marie Franklin, 2013 This book will help readers understand more about gerontological nursing how the different nursing specialties interact and the necessity for multidisciplinary team approaches to improve systems in the industry The book also highlights some of the many individuals who have contributed to reaching for higher care levels in nursing homes Innovative processes such as the Eden Alternative and the Quality Indicator Survey process are introduced which will assist people to understand the wide range of ways in which the system can be improved As the author emphasizes throughout the book the psychology of kindness is essential and needs to be demonstrated by everyone in the gerontological field from care providers to families and patients Emotions can run high as patients and families may be frightened confused and concerned about making good decisions while the care providers are themselves working hard to provide appropriate care while coping with multiple demands Consideration and humor are in fact most important for creating a positive atmosphere for those in nursing homes

Treatment of Dysphagia in Adults Maria Provencio-Arambula, Dora Provencio, M.N. Hegde, 2006-11
