## **Rethink Growth And Learning Through Coaching And Organisational Development:**

**Rethink** Natalie Cunningham, 2014      **Rethink : growth and learning through coaching and organisational development** N (ed) Cunningham,      Accelerated Learning for Breakthrough Results Debbie Craig, 2014-10-30 This book focuses on the shift from training to learning to collaborative learning in the modern socially networked age It also covers how to accelerate talent engagement development and organisational change for Breakthrough Results It outlines key principles processes and tools to accelerate learning in organisations using the latest research in Neuroscience and practical case studies which bring learning to life The book covers paradigm shifts in learning whole brain whole person approaches to learning creating learning cultures and designing Accelerated Learning programmes which are relevant to individuals business leaders and learning specialists Accelerated Learning for Breakthrough Results covers the following topics and ends with two case studies that will show how all of the various aspects of accelerated learning can be pulled together to create real high impact learning for breakthrough results PART 1 Paradigm Shift for Accelerated Learning PART 2 Whole Brain Whole Person Approach to Learning PART 3 Creating a Learning Culture PART 4 Designing Accelerated Learning Programmes PART 5 Making it Real Case Studies of Accelerated Learning The authors invite readers to engage with the topic and accelerate their learning through various gamification mechanics and brain break activities in the book and online There is a rabbit warren of resources tools and rewards available through opting in to an online process and ways of interacting with other readers and learners through social media Contributing Authors Natalie Cunningham John Gatherer Darryn van den Berge In many ways this book reminded me of Peter Senge s The Fifth Discipline which similarly inspired me a few years back This book is very detailed and discusses new approaches techniques and methods to achieve liberating yet learning centred breakthrough results at individual team and organisational level Chief Human Resource Officers as well as their peers and Chief Learning Officers and their associated practitioners will all benefit from not just reading this very compelling text but studying and applying all its valuable lessons in their quest both to accelerate learning and achieve tangible results e Johan Ludike Head of Talent Management Yum University Yum Brands Africae Congratulations to Debbie and Kerryn who have captured the essence of accelerated learning a process which particularly in a dynamic markets context is so important to change the status quo where so many people have potential for greatness but have often lacked opportunities and mentorship e Shaun Rozyn Executive Director Corporate Education Gordon Institute of Business Science e What an amazing read it is truly a book that keeps on giving It stimulates thinking about accelerated learning and is full of modern and practical content presented in an easily accessible and understandable manner The gamification throughout the book places the reader in the milieu of an active learner through the experience of reading the book and accelerating one s own learning e Liza Govender Executive Manager Talent Transnete Both Kerryn and Debbie bring their valuable practical lessons learnt their passion for this subject and their deep expertise in this field to us in a practical and useful manner I have had the good

fortune of working in organisations and in consulting for organisations in this field for over 20 years and I wish I had had this book 20 years ago already e Lou Anne Lubbe previous MD People Organisation Talent Accenture South Africa ECRM 2017 16th European Conference on Research Methods in Business and Management Dr Anthony Buckley,2017

*Transforming Adults Through Coaching: New Directions for Adult and Continuing Education, Number 148* James P. Pappas, Jerry Jerman, 2015-12-01 The field of coaching adult populations has grown dramatically over the past two decades This volume brings together coaching scholars and experts to review this trend examine some of the theoretical foundations of the field and explore how coaching adults manifests itself in the workplace at executive levels and in educational and nonprofit organizations Readers will Gain understanding of this field of coaching adult audiences Learn how adult development and adult learning theories undergird this work and See applications of coaching approaches through numerous case studies This is the 148th volume of the Jossey Bass series New Directions for Adult and Continuing Education Noted for its depth of coverage it explores issues of common interest to instructors administrators counselors and policymakers in a broad range of education settings such as colleges and universities extension programs businesses libraries and museums This is the 148th volume of the Jossey Bass series New Directions for Adult and Continuing Education Noted for its depth of coverage it explores issues of common interest to instructors administrators counselors and policymakers in a broad range of education settings such as colleges and universities extension programs businesses libraries and museums **Leading for Learning** Lisa Koss, 2020-10-08 People do their best work when they are motivated This may sound obvious but while people managers instinctively agree with the centrality of motivation at work and its impact on employee engagement their practices do not follow With so much real work to do every day how can managers also carve out time to learn engage build relationships tap motivation encourage development and inspire The problem is a false dichotomy between the world of business and that of people development What if managers were able to systematically transform everyday business issues into meaningful developmental coaching opportunities with employees at the same time This proven coaching approach radically shifts conversations away from either or propositions and uses an entirely different lens transforming business challenges by connecting them directly to employee motivation to achieve the desired business result while dramatically increasing employee engagement And all this comes none too soon as leaders must rethink the way they lead given the modern realities of organizational life Among them A rapidly changing workplace and increasing uncertainty that requires a fundamental shift in the leader s approach including the distribution of authority and the expectation that employees take responsibility for their own learning Pervasive and persistent employee disengagement characterized by employees who no longer accept the organization s priorities at the expense of their own where organizations that continue to dictate terms will find ongoing challenges with costly employee turnover and lack of engagement During the past decade the Developmental Coaching Model has been taught across the globe in nine languages and has been enthusiastically embraced by thousands of

managers while dissolving the invisible barriers that block individual and organizational development and business success

**Competency-based Education and Training** Roger Harris, Barry Hobart, David Lundberg, 1995 Paperback edition of a text which discusses the history of competency based education and training in Australia and internationally Analyses the major issues relating to competency and provides step by step applications of competency based education and training Includes an index and bibliography Barry Hobart is a professor and Roger Harris an associate professor in adult education and human resource development at the University of South Australia Hugh Guthrie is a senior research fellow and David Lundberg is the research manager at the National Centre for Vocational Education Research
