## Returning To Sacred World:

**Returning to Sacred World** Stephen Gray, 2010 Explains our spiritual predicament in this time of crisis and transformation and offers extensively field tested teachings and tools for awakening including meditation prayer and sacred plant medicines Anunnaki Return, Star Nations and the Days to Come James Gilliland, 2016-02-24 Anunnaki Return is a book that can truly change the world It is hidden and forbidden knowledge about our true origins the greater family of man and the destiny of Earth to join its ancient ancestors in peace There is a war going on between those who are self serving and those in service to others There will come a time very shortly where all will have to choose which side of the fence they will act out their final days As the Hopi prophecies stated there will be a separation of worlds Those who chose self service and misuse technology those who act against Universal Law and those who act in a way that is harmful to humanity and the Earth will not see the next world Those who choose service to others living a life in harmony with each other and nature will continue The Earth is ascending The Return to Being: The Treatise on Friendship with God Sayyid Muhammad Husayn Tabataba'i, 2009-01-01 The Return to Being tells the story of the journey of the human soul from the material world to its ultimate goal annihilation in Allah s actions attributes and essence In this work Allamah Tabataba i outlines the human divine relationship and the stages by which human beings can reach human perfection in their journey towards the station of being in Being The author contends that all human beings have the capacity to achieve this highest stage of spiritual perfection whereby they can witness the beauty and glory of God Integrating ontological and epistemological principles Tabataba i elaborates on the two interior and exterior aspects of realities including religion which manifest at different existential levels The author also suggests spiritual methods to anyone who would like to learn more about theoretical and practical principles in order to attain spiritual refinement and to achieve the interior dimensions of existence and religious knowledge *The Poimandres as Myth* Robert A. Segal, 2014-10-15 No detailed description available for The Poimandres as Myth **Moral Relativism, Moral Diversity, and Human Relationships** James Kellenberger, 2010-11-01 This book aims to clarify the debate between moral relativists and moral absolutists by showing what is right and what is wrong about each of these positions by revealing how the phenomenon of moral diversity is connected with moral relativism and by arguing for the importance of relationships between persons as key to reaching a satisfactory understanding of the issues involved in the debate **Nachiketa's Return** , *Return to the Eternal Abode* Seyyed Hossein Nasr, Amira El-Zein, 2025-01-01 Return to the Eternal Abode is a series of in depth discussions between Amira El Zein and Seyyed Hossein Nasr one of the world s foremost scholars of Islamic religious and comparative studies Each of the six chapters addresses a central theme at the heart of Sufism creativity cosmology the environment poetry art and modernity Nasr s answers to El Zein s probing questions offer thought provoking comprehensive and interdisciplinary approaches to these aspects of the Sufi tradition reflecting a lifetime of scholarship and comfortably synthesizing various sources philosophies and traditions both Islamic and otherwise

The book also sheds light on Nasr's relations to eminent thinkers of the twentieth century such as Titus Burckhardt, Mircea Eliade, Louis Massignon and Henry Corbin and provides in many ways an accessible synopsis or overview of his entire oeuvre.

*Myth and Religion in Mircea Eliade* Douglas Allen, 1998 This is an interesting study with a great deal of information on Eliade's main themes and a detailed account of his understanding of myth.

[The Return of the Feminine and the World Soul](#) Llewellyn Vaughan-Lee, 2009-11-01 The feminine holds the mystery of creation. This simple and primordial truth is often overlooked but at this time of global crisis which also carries the seeds of a global transformation we need to reawaken to the spiritual power and potential of the feminine. Feminine qualities belong to both men and women and they draw us into the depths within us into the mysteries of the soul whose wisdom is called Sophia. Without the feminine nothing new can be born, nothing new can come into existence; we will remain caught in the materialistic images of life that are polluting our planet and desecrating our souls. We need to return to the core of our being to where the sacred comes into existence. And the mystical feminine holds the key to this work of redemption and transformation. Over the past two decades Llewellyn Vaughan-Lee has given different teachings on the feminine and the anima mundi, the World Soul. They are compiled here for the first time. Llewellyn Vaughan-Lee presents us with a clear picture of the Feminine which is now essential to building a new vision and value for our dear planet earth.

MARION WOODMAN, Ph.D., Jungian Analyst and author. This book is the work of an alchemist, a vitally important contribution to the Great Work of rescuing the human soul from the darkness that currently shrouds it. In this dangerous transitional time where ignorance, confusion and cruelty abound, its theme of the need for us to recover and comprehend the Feminine is of absolute and urgent relevance. Few people are able to define and evoke the Feminine in the way that Llewellyn Vaughan-Lee does in poetic and beautiful prose; he speaks directly from his soul to ours, acting as advocate for the longing of the anima mundi, the World Soul, to be welcomed once again into our lives and our culture. He knows that this is the time of humanity's awakening; each one of us participates in the mystery of the light hidden within us and within all nature that is being awakened. For exploring this mystery so directly and deeply and with such insight, he deserves our deepest gratitude. Women and men alike will welcome and treasure this book.

[Art and Cultural Heritage](#) Barbara T. Hoffman, 2006 Art and Cultural Heritage is appropriately but not solely about national and international law respecting cultural heritage. It is a bubbling cauldron of law mixed with ethics, philosophy, politics and working principles, looking at how cultural heritage law, policy and practice should be sculpted from the past as the present becomes the future. Art and cultural heritage are two pillars on which a society builds its identity, its values, its sense of community and the individual. The authors explore these demanding concerns, untangle basic values and look critically at the conflicts and contradictions in existing art and cultural heritage law and policy in its diverse sectors. The rich and provocative contributions collectively provide a reasoned discussion of the issues from a multiplicity of views to permit the reader to

understand the theoretical and philosophical underpinnings of the cultural heritage debate     *Anacarnation and Returning to the Lived Body with Richard Kearney* Brian Treanor, James L. Taylor, 2022-10-26 This edited collection responds to Richard Kearney's recent work on touch, excarnation and embodiment as well as his broader work in carnal hermeneutics which sets the stage for his return to and retrieval of the senses of the lived body. Here fourteen scholars engage the breadth and depth of Kearney's work to illuminate our experience of the body. The chapters collected within take up a wide variety of subjects from nature and non-human animals to our experience of the sacred and the demonic and from art's account of touching to the political implications of various types of embodiment. Featuring also an inspired new reflection from Kearney himself in which he lays out his vision for anacarnation, this volume is an important statement about the centrality of touch and embodiment in our experience and a reminder that despite the excarnating tendencies of contemporary life, the lived body remains a touchstone for wisdom in our increasingly complicated and fragile world. Written for scholars and students interested in touch, embodiment, phenomenology and hermeneutics, this diverse and challenging collection contributes to a growing field of scholarship that recognizes and attempts to correct the excarnating trends in philosophy and in culture at large.

**The Return of the Mother** Andrew Harvey, 2013-08-20 A profound exploration of the sacred feminine across major world religions and traditions offering spiritual insights and transformative wisdom to reconnect with the Divine Mother within. Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, *The Return of the Mother* is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions: Hinduism, Islam, Sufism, Buddhism, Taoism and Christianity, and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. *The Return of the Mother* offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality and the details of human life and generate the energy and compassion needed to reverse the course of destruction we have set the planet and all of life hurtling toward. In lively question and answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on gurus and masters, proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. *The Return of the Mother* is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine and recreate a sacred life in the world.

**Return of the Children of Light** Judith Bluestone Polich, 2001-08-01 A personal exploration of the conjunction between ancient

Mesoamerican prophesy and New Age higher consciousness Selected by the Independent Publisher s Book Awards as one of the top two New Age books of the year Explores ancient prophecies and their relevance in the contemporary world The Incan and Mayan cultures saw themselves as children of light descended from celestial realms and their prophecies foretell a time of great spiritual awakening They prophesied a time when the gateways to higher consciousness would open once again That time is now Award winning author Judith Bluestone Polich draws on her extensive research in quantum physics archeoastronomy holography cosmology and pioneering studies of human consciousness to show how science and contemporary thought are consistent with this ancient knowledge As the ancients predicted the human god seed is beginning to awaken and modern civilization is finally beginning to perceive human potential in ways that the ancient cultures accepted as truth Polich introduces techniques for awakening our own human potential through dreaming meditations and the power of sacred sites

**Return to Meaning** Andrew Cort,2008-04-28 If God exists and God is all powerful and good why did God create an imperfect world Does religion have a credible answer Morality as secularists know does not require a deity Blind faith as atheists know often leads to hatred and war Taking scriptural stories as literal history as scientists know borders on the nonsensical There has to be more And there is In their most important sense these are symbolic psychological stories Everything that happens the wars the joys the obstacles that are overcome must occur in one s own soul In other words all the great myths and scriptures are how to manuals for Initiation In this groundbreaking work Andrew Cort describes the inner journey of Creation and Return that is revealed by the Greek Myths the Torah the Gospels and the Qur an He demonstrates the stunning unity of our western religious traditions whose common aim is to enlighten the soul and restore a sense of meaning to our lives and culture

**Adapa and the South Wind** Shlomo Izre'el,2001 The scholarly world first became aware of the myth of Adapa and the South Wind when it was discovered on a tablet from the El Amarna archive in 1887 We now have at our disposal six fragments of the myth The largest and most important fragment from Amarna is dated to the 14th century B C E This fragment of the Adapa myth has red tinted points applied on the tablet at specific intervals Izre el draws attention to a few of these points that were missed in previous publications by Knudtzon and Schroeder Five other fragments were part of the Assurbanipal library and are representative of this myth as it was known in Assyria about seven centuries later The discovery of the myth of Adapa and the South Wind immediately attracted wide attention Its ideology and its correspondence to the intellectual heritage of Western religions precipitated flourishing studies of this myth both philological and substantive Many translations have appeared during the past century shedding light on various aspects of the myth and its characters Izre el unveils the myth of Adapa and the South Wind as mythos as story To do this he analyzes the underlying concepts through extensive treatment of form He offers an edition of the extant fragments of the myth including the transliterated Akkadian text a translation and a philological commentary The analysis of poetic form that follows leads to understanding the myth as a piece of literature and to uncovering its meanings This study therefore marks a

new phase in the long extensive research into this Mesopotamian myth      **The Myth of the Eternal Return** Mircea Eliade, 2021-10-12 First published in English in 1954 this founding work of the history of religions secured the North American reputation of the Romanian migr scholar Mircea Eliade Making reference to an astonishing number of cultures and drawing on scholarship published in no fewer than half a dozen European languages The Myth of the Eternal Return illuminates the religious beliefs and rituals of a wide variety of archaic religious cultures While acknowledging that a return to their practices is impossible Eliade passionately insists on the value of understanding their views to enrich the contemporary imagination of what it is to be human This book includes an introduction from Jonathan Z Smith that provides essential context and encourages readers to engage in an informed way with this classic text      [Coming Back to Life](#) Joanna Macy, Molly Young Brown, 2014-11-01 Coming Back to Life has helped people transform denial despair and grief in the face of the social and ecological challenges of our time This new completely updated edition repositions the classic work within the context of deepening global crises and the cognitive spiritual and perceptual revolutions occurring all around us      **The Return of Religious Antisemitism?** Gunther Jikeli, 2021-02-17 The most violent American and European anti Semites in the 21st century including not only Jihadists but also white and black supremacist terrorist made some reference to religion in their hatred of Jews This is surprising Religious antisemitism is often seen as a relic of the past It is more associated with pre modern societies where the role of religion was central to social and political order However at the end of the 19th century animosity against Judaism gave way to nationalistic and racist motives People such as Wilhelm Marr called themselves anti Semites to distinguish themselves from those who despised Jews for religious reasons Since then antisemitism has gone through many mutations However today it is not only the actions of extremely violent anti Semites who might be an indication that religious antisemitism has come back in new forms Some churches have been accused of disseminating antisemitic arguments related to ideas of replacement theology in modernized forms and applied to the Jewish State Others from the populist nationalist right seem to use Christianity as an identity marker and thus exclude Jews and Muslims from the nation Do religious motifs play a significant role in the resurgence of antisemitism in the 21st century      *Return of the Divine Sophia* Tricia McCannon, 2015-03-06 An initiatic journey into the Mysteries of the Goddess and humanity's return to an age of peace and celestial light Details the ceremonies and rituals of initiation into the Fellowship of Isis Reveals the lost teachings of Jesus about the Divine Mother and Father and how the goddess Sophia is connected to Mary Magdalene as the Female Christ Explores the many archetypes of the Goddess including Isis Brigit and the Black Madonna and how we can transform into Homo luminous spiritual beings of light Called through her dreams by the Priestesses of Isis Tricia McCannon set out on a spiritual journey into the Mysteries of the Goddess After a fateful encounter with a high initiate of the ancient Fellowship of Isis she began researching the history of Judaism and Christianity to find out how and when the Divine Feminine became lost She discovered a forgotten age when the Creator was honored as female and humanity lived in

peaceful societies completely free of war She shows how we can return to an age of peace and celestial light if we work to bring the masculine and feminine energies of the world back into balance Sharing her journey into the heart of the Divine Mother McCannon details her initiation into the Fellowship of Isis a process rich with ceremony ritual and myths of the Goddess from ancient Egyptian Celtic Greek Hebrew and Native American traditions She reveals how the many archetypes of the Goddess including Isis Ishtar Brigit and the Black Madonna can become our allies for self transformation She explores Mysteries at the heart of Christianity that have remained hidden for nearly 2 000 years and how the Gnostic goddess Sophia is tied to the Second Coming Mary Magdalene and the Female Christ She reveals the lost teachings of Jesus about the Divine Mother and Father and about the Divine Daughter and Son Through her story and her in depth research McCannon takes us on a journey to awaken the creative power of the Divine Feminine within each of us Equipped with the teachings of the Goddess we gain the mastery to overcome the deeply rooted masculine feminine imbalance of the patriarchy and to embark into the future as Homo luminous beings of light

*Exile and Return as Poetics of Identity in Contemporary Anglo-Caribbean Literature* Eleonora Natalia Ravizza, 2019-11-25 In contemporary Anglo Caribbean literature the dialectic interrelations of exile and return are essential for conveying meta reflections on literature and language as well as the role they play in the construction of personal and collective identities While this volume focuses on the specificity of a cultural area whose history is marked by colonialism diaspora slavery and racial conflicts it also raises epistemological questions surrounding the complexity of literature and its function in a world which is ever more composite hybrid and transcultural By developing a new systematic approach which combines post colonial studies theories of intertextuality and philosophy of language it explores how contemporary literary texts reflect elaborate and redefine the experiences of societies that are currently dealing with ever growing global interdependencies and newly formed cultural and semiotic context
