The Plant Holobiont Volume II: Impacts of the Rhizosphere on Plant Health Nadia Lombardi, Roberta Marra, David Turra, Francesco Vinale, Sheridan Lois Woo, 2022-02-07 **The Thirteenth Year** S.T. Nchindo, 2016-12-22 A novel that revolves around a Christian family The Thirteenth Year tells the story of identical twins who lost both their parents when they were thirteen years old The two leave their village for town where they go to live with their uncle Theirs was not a smooth road as their aunt mistreated one of the twins Despite all their difficulties the twins excelled in school and reached a high status Their story tells of the domestic challenges they experienced on a daily basis as well as the love education faith and crime that were part of their lives This compelling tale is a learning tool that was written to be used in schools to teach English as a second language **Lucifer's Apostles** Col Braithwaite, 2024-02-23 On the outskirts of the southern suburbs of Sydney a satanic cult is performing sadistic rituals that had been discovered in an ancient grimoire In the ritual eleven women must be kidnapped and sacrificed on specific days after the summer solstice After each sacrifice the woman's naked body must be laid in sight of a religious place of worship casting a curse on each denomination targeted The leader of the cult known as the High Priestess believes in her deranged mind that the sacrifices will bring Satan and his army into our world The cult has purchased a property outside of Barton Park where a large shed has been erected to hold the cult's congregations A house has been converted to accommodate the abducted women who must be humiliated and degraded before one is sacrificed every two days before the year's first full moon The women are chained to the floor with little to no chance of escape from the well guarded house of hell A task force is set up in the suburb of Southern Palms to catch the killers The team led by Detective Tank Dodge consists of detectives a forensic pathologist an investigator a profiler and a computer analyst Unknown to the team is that they have moles in their ranks who keep the satanic cult informed of any impending threat As the body count starts to rise Tank and his team need to discover the whereabouts of the cult and the kidnappers who are abducting the young women *The Messenger* Daniel Silva, 2006-07-25 On the trail of a deadly al Qaeda operative Gabriel Allon returns in a spellbinding story of deception power and revenge by the 1 New York Times bestselling world class practitioner of spy fiction Washington Post Gabriel Allon art restorer and spy is about to face the greatest challenge of his life An al Qaeda suspect is killed in London and photographs are found on his computer photographs that lead Israeli intelligence to suspect that al Qaeda is planning one of its most audacious attacks ever aimed straight at the heart of the Vatican Allon and his colleagues soon find themselves in a deadly duel of wits against one of the most dangerous men in the world a hunt that will take them across Europe to the Caribbean and back But for them there may not be enough of anything enough time enough facts enough luck All Allon can do is set his trap and hope that he is not the one caught in it *Committed* Chris Merritt, 2023-08-01 Six days to stop a deadly attack And no one else believes it's real Ingenious and turbocharged with suspense A writer to surely put on your reading list David Baldacci Very well done tight action and a

smart central character Anthony Horowitz Utterly engrossing The Sun A nail biter of a thriller that will keep your heart in your throat all the way through Lisa Regan As propulsive as a Bourne movie Committed is a first class blend of intrigue suspense and action Charles Cumming One of the best thrillers I ve read this year Imran Mahmood Former CIA undercover operative Ellen McGinley is battling to overcome PTSD when she stumbles upon a domestic terror plot The deadly attack is due to take place in six days and will strike at the very heart of her homeland For Ellen it s a chance to find redemption for her greatest mistake one she will never allow herself to forget But no sooner than she alerts the authorities she finds herself diagnosed as delusional and locked in a psychiatric ward No one believes her story She s the only one who thinks the danger is real which means she s the only one who can stop it Ellen must draw on all her old skills to escape stay alive protect her family and find those responsible before all hell breaks loose Committed is the propulsive thriller you won t want to miss this summer Perfect for fans of Lee Child David Baldacci JB Turner and Robert Dugoni A standout mix of high octane action and sinister conspiracy first class Financial Times A blistering heart pounding edge of the seat adrenaline rush of a read Absolutely outstanding and without doubt the best book I have read this year Carol Wyer Heart pounding suspense until the very last page I absolutely loved it Ava Glass A fast paced thriller to rival the best Full of unexpected twist and turns with impeccable research and insights this is a must read for all crime fans Matt Brolly Committed is a smart of the moment action thriller that will have you turning the pages past bedtime Mason Cross Committed is a tight compelling thriller that never misses a beat Digging into both sides of a planned terror attack adds fascinating dimension and depth to a story that is so very timely Lou Berney [Tomorrow Almost Dies](#) Doug Solter, Can you trust an android who is sentient After one near death experience too many Nadia thought back to school would mean homework and maybe figuring things out with a certain young king Wrong When Robert the android returns with a desperate plea Nadia and the Gems are thrown into a high stakes mission in Vietnam as the CIA Chinese Intelligence and Venomous all make a play to find Robert s missing siblings experimental military androids with AI minds of their own Whoever controls them will shift the balance of power in the intelligence world forever Can Nadia and the Gems find the androids in time Or will Venomous find them first and turn Robert and his siblings into an army of the most lethal suicide bombers ever conceived Tomorrow Almost Dies is the eighth novel in The Gems Young Adult spy thriller series which throws you into a world of pulse pounding action surprising betrayals and difficult choices If you enjoy fun locations interesting villains and the world of artificial intelligence Tomorrow Almost Dies is for you For ages 13 through adult **Marie NDiaye** Andrew Asibong,2013-10-28 First critical study of prize winning French author Marie NDiaye [Daniel Silva Gabriel Allon Novels 5-8](#) Daniel Silva,2011-07-05 Novels five through eight of the Gabriel Allon series from 1 New York Times bestselling author Daniel Silva Prince of Fire Gabriel Allon is back in Venice when a terrible explosion in Rome leads to a disturbing personal revelation the existence of a dossier in terrorist hands that strips away his secrets and lays bare his history The Messenger Gabriel Allon is about to face the greatest

challenge of his life An al Qaeda suspect is killed in London and photographs are found on his computer photographs that lead Israeli intelligence to suspect that al Qaeda is planning an attack aimed straight at the heart of the Vatican The Secret Servant A terrorist plot in London leads Israeli spy Gabriel Allon on a desperate search for a kidnapped woman in a race against time that will compromise Allon s own conscience and life Moscow Rules The death of a journalist leads Israeli spy Gabriel Allon to Russia where he finds that in terms of spycraft even he has something to learn if he wants to prevent a former KGB colonel from delivering Russia s most sophisticated weapons to al Qaeda Praise for the 1 New York Times bestselling author Daniel Silva and the Gabriel Allon series Those in the know are calling him the new John Le Carr Those who are reading him can t put him down Chicago Sun Times The enigmatic Gabriel Allon remains one of the most intriguing heroes of any thriller series The Philadelphia Inquirer A writer who brings new life to the international thriller Newsday Allon is Israel s Jack Bauer Thriller factor USA Today Nobody handles this kind of intrigue as well Silva He gives Gabriel and the rest of his team the kind of depth seen only in spy novels by Robert Ludlum and Tom Clancy Richmond Times Dispatch A terrific thriller one of the best drawn fictional assassins since The Day of the Jackal The San Francisco Examiner Silva builds tension with breathtaking double and triple turns of plot People Out of the Clear Blue Robert Dawson,2024-08-26 Eli Judd a junior pilot for NorAk Airlines finds himself in a precarious situation when his single engine airplane crashes into the thick woods of the Alaskan interior While waiting for rescue a mysterious creature appears from the dark woods and forges a close bond with him while providing the food he desperately needs for survival In the meantime fellow pilot Alison Brantley discovers her love for Eli and is pivotal in his rescue Eli who was once running from God recognizes God s hand in his miraculous survival and rescue forever changing the course of his future Coultrane Glenn Henderson,Henderson Glenn Henderson,2009-11 Coultrane is an action adventure novel about a young executive in a sprawling family owned multinational company a story of camaraderie but also a story of intrigue corruption greed and murder Calvin Coultrane s quick fists and agile mind have made him the go to man for any family member with a problem as well as the chief troubleshooter for the corporation The family s confidence in his abilities has always been at odds with his reputation as the family rebel When he stumbles across evidence of fraud his attempts to investigate are met with scorn and anger by his father and older brother who view his work as criticism of their abilities As he searches for evidence through the back streets and corridors of power in the mid east Brazil and the United States from the nitty gritty of the souk to the Country Club of his nouveau riche parents from the formality of the board room to the swirling camaraderie and intrigue of the extended family he realizes the several near misses he survived were in fact attempts on his life Too soon he must confront his family at a board meeting with disastrous results *Where the Road Ends* Binka Le Breton,2025-09-23 The colorful story of one couple s journey across the world to build their dream home in the heart of the Amazon In 1989 as their mid life crises approached concert pianist Binka Le Breton and her husband Robin an agricultural economist decided to uproot themselves from their

home in Washington D C and start a new life in Brazil Where the Road Ends is their story of building a house a rainforest research center and a new dream Since then they ve learned how to work with the trees the animals the weather the local community and each other Their technology now ranges from the oxcart to the Internet and in 2000 they opened a rainforest conservation and research center that is visited by foreign researchers and Brazilian school children From meeting their resident cowboy Albertinho to beheading snakes to chauffeuring a local wedding the adventures described here are unparalleled This delightful memoir takes the armchair traveler deep into another world where matters of providing food and shelter can never be taken for granted Binka and Robin have embarked on an adventure that many readers only dream about transplanting themselves in a different country and learning often the hard way what it takes to survive and flourish A good read for armchair travelers Kirkus Reviews **Entrepreneurship, Innovation and Sustainability** Marcus

Wagner,2017-09-08 This book addresses the intersection of entrepreneurship innovation and sustainability EIS presenting high quality research illuminating the relationship between the three fields The EIS nexus is particularly relevant from a European point of view given the focus of the European Commission on corporate social responsibility CSR and sustainability as well as their prominent role within the European Union in general Also the rapid economic growth witnessed especially in the BRIC countries in recent years requires that firms reconcile sustainability aspects with profitability and innovation and entrepreneurs are seen as key diffusers of these aims Sustainability requires both radical and incremental innovation at many different levels technology product process system In many cases such innovations come from small and medium sized enterprises and so the role of the entrepreneur is key to their success The book is split into six sections The first section examines the nexus in detail focusing on system oriented connectivity between sustainability innovation and entrepreneurship The second section looks at how to nurture corporate entrepreneurship for sustainability and the third considers mature industries such as automotives chemicals and electronics and how sustainability aspects can be integrated into innovation process and strategy The fourth section examines the nexus through the lens of developing countries in Africa Sustainable entrepreneurship is identified as a hugely beneficial way to foster development The fifth section of the book concentrates on SMEs and finally the EIS nexus is approached from a network perspective and focuses on inter organisational partnerships which are often an important facilitator or spark for EIS initiatives This book will prove to be essential for researchers in the EIS nexus and be of invaluable help to practitioners governments and inter governmental bodies attempting to encourage sustainable entrepreneurship and innovation Japan Company Handbook ,1999

Managing the Business Case for Sustainability Stefan Schaltegger, Marcus Wagner, 2017-09-08 The difficulties in moving towards corporate sustainability raise the question of how environmental and social management can be integrated better with economic business goals Over the last decade the relationship between environmental and economic performance and more recently the interaction between sustainability performance and business competitiveness have received considerable attention in both theory and practice However to date only partial aspects of the relationship between sustainability performance competitiveness and economic performance have been studied from a theoretical as well as an empirical perspective And to date no unique relationship has prevailed in empirical studies A number of explanations have been put forward to explain this including methodological reasons such as the lack of statistical data the low quality of that data or the fact that such data is often available for short time periods only Other theoretical explanations have been developed such as the influence of different corporate strategies or the relatively small influence of environmental or sustainability issues as one factor among many on the economic or financial success of firms So how should the business case for sustainability be managed This is the starting point for this book which compiles insights on a large number of aspects of the link between sustainability performance business competitiveness and economic success in an attempt to provide a comprehensive and structured view of this relationship The book provides an unrivalled body of knowledge on the state of theory and practice in this field and identifies prospective future fields of work The book includes conceptual frameworks for the interaction of social environmental and economic issues in business environments case studies of companies that have successfully integrated social environmental and economic issues analyses of the causal and empirical relationship between environmental and or social performance business performance and firm level competitiveness concepts and tools useful for improving business value with proactive operational strategies assessment of

the factors influencing operational sustainability strategies and their economic impact and comparisons of interactions between sustainability performance and firm competitiveness across industry sectors and countries *Managing the Business Case for Sustainability* is the definitive work in its field the most comprehensive book yet published on the theory and practice of managing sustainability performance competitiveness environmental social and economic performance in an integrated way It will be essential reading for managers academics consultants fund managers governments and government agencies NGOs and international bodies who need a broad and comprehensive overview of the business case for sustainability
