Advertising Outdoors David Bernstein,1997-10-16 Outdoor advertising is one of the oldest and purest forms of communication From the earliest painted Roman walls to the latest video walls and laser projections in Times Square and Piccadilly Circus commercial signs have been ubiquitous This text charts this dynamic exterior medium looking at the art and ingenuity of art directors and copywriters who devise the artwork and ideas and exploring how their creative input drives an industry that supplies large scale frames billboards transit shelters bus sides train cards phone boxes taxis airships and many other locations Gallery Whispers (Bob Skinner series, Book 9) Quintin Jardine,2010-01-07 Death comes in many disguises A terrorist threat and a serial killer on the streets of Edinburgh spell trouble for Scotland s toughest cop in Gallery Whispers the ninth instalment in Quintin Jardine s gripping crime series Perfect for fans of Ian Rankin and Peter May Heart stopping thriller Peterborough Evening Telegraph Deputy Chief Constable Bob Skinner has a lot on his plate One of the world s most ruthless terrorists is on his way to Edinburgh with only one thing on his mind the forthcoming conference of world Heads of Government If Skinner doesn t pick up his trail fast he could have a global disaster in his backyard While all eyes are focused on the terrorist threat a terminally ill woman is found dead an apparent suicide But the marks of an assisted death are discovered Yet this seemingly random death soon proves to be the beginning of an ominous pattern For Skinner the desperate race to find a heartless terrorist mixes uneasily with the search for a mercy killer a search which takes on a poignant personal significance And it s not long before Skinner himself will be staring death straight in the eye What readers are saying about Gallery Whispers The book is excellent there are several stories linked together and these are interwoven with great skill The only criticism I have is that I just couldn t put the book down Five stars Singapore Business ,1998

Model Minority Masochism Takeo Rivera,2022 There are few grand narratives that loom over Asian Americans more than the model minority While many Asian Americanist scholars and activists are quick to disprove the model minority as myth

author Takeo Rivera instead rethinks the model minority as cultural politics Rather than disproving the model minority Rivera instead argues that Asian Americans have formulated their racial and gendered subjectivities in relation to the model minority relation that Rivera terms model minority masochism With specific attention to hegemonic masculine Asian American cultural production Rivera details two complementary forms of contemporary racial masochism a self subjugating masochism which embraces the model minority and its opposite a self flagellating masochism that punishes oneself for having been associated with the model minority at all

And On That Bombshell Richard Porter,2015-10-22 I was Top Gear's script editor for 13 years and all 22 series I basically used to check spelling and think of stupid gags about The Stig I also got to hang around with Jeremy Clarkson Richard Hammond and James May It didn't feel like something you should get paid for From the disastrous pilot show of 2002 to the sudden and unexpected ending in 2015 working on Top Gear was quite a rollercoaster ride We crossed continents we made space ships we bobbed across the world's busiest shipping lane in a pick up truck We also got chased by an angry mob repeatedly sparked fury in newspapers and almost killed one of our presenters I realised that I had quite a few stories to tell from behind the scenes on the show I remembered whose daft idea it was to get a dog I recalled the willfully stupid way in which we decorated our horrible office I had a sudden flashback to the time a Bolivian drug lord threatened to kill us I decided I should write down some of these stories So I have I hope you like them And now a quote from James May Richard Porter has asked me to write a quote for his new book about the ancient history of Top Gear But this is a ridiculous request How can one write a quote Surely by definition a quote must be extracted from a greater body of writing for the purpose of illustrating or supporting a point in an unrelated work I cannot write a quote any more than I could film an out take Porter like Athens has lost his marbles
