2021 Douglas Palermo,2022-03-20 In his first collection of poetry 2019 A Year in Verse we saw writer Douglas Palermo deal with grief depression and spiritual rebirth as he was hurled unexpectedly into the chaos that would be the year 2020 Now in this new collection of poetic word portraits 2021 A Year Inverse we get to join him as he confidently marches back He is still processing the grief still carrying the depression but he has matured in his faith through the mastery of his craft Readers should expect to buckle up for another 365 day trip around the sun because this time we re stuck in reverse The parentheses will be closed as the masterpiece is finished There will be no encore There will be no curtain call The cellar door has been closed The author has seen his shadow and is ready for his soul to spring forth to higher dimensions and realities So join him for this one last peek through his I of the Universe Enjoy Building a StoryBrand 2.0 Donald Miller,2025-01-07

When you apply the StoryBrand framework your brand will stand out. Developing that framework to clarify your message and grow your business is about to get a whole lot simpler. Since the original publication of *Building a StoryBrand*, over one million business leaders have discovered Donald Miller's powerful StoryBrand framework and their businesses are growing. Now the classic resource for connecting with customers has been fully revised and updated, making it an even more powerful tool to prepare you to engage customers. In a world filled with constant on-demand distractions, it has become very hard for business owners to effectively cut through the noise to reach their customers. Without a clear, distinct message, customers will not understand what you can do for them and won't engage. In *Building a StoryBrand 2.0*, Donald Miller not only deepens his teaching on how to use his seven universal story elements, he'll provide you with one of the most powerful and cutting-edge tools to help with your brand messaging efficacy and output. The StoryBrand framework is a proven process that has helped thousands of companies engage with their existing customers, giving them the ultimate competitive advantage. Now you can have access to the perfected version, making it more essential. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, *Building a StoryBrand 2.0* will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

Life's Hourglass Janice Mock, 2025-07-30 When Janice learns that she has stage four cancer, she feels the sand in life's hourglass begin to escape through her fingers. A successful trial lawyer, she's spent her entire adulthood competing, clock-watching, and chasing the money while life slipped by unnoticed. But this diagnosis leaves her questioning whether it's all been worth it. In this candid memoir, Janice reflects on the choices she made throughout her life to bring her to this point. She offers an insider's view of Big Law and questions corporate America's relationship with wealth and excess. She examines how one's longing for approval from family or elsewhere comes at the expense of knowing what we want and being our true selves. And she discovers that the remedy is a long, hard road to travel. Earnest, tender, and eye-opening, *Life's Hourglass* inspires readers to ask themselves: How do I want to spend the days I have remaining?

Lemon-Aid New Cars and Trucks 2011 Phil Edmonston, 2010-11-11 As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality control problems, *Lemon-Aid* guides the confused and anxious buyer through the economic meltdown, unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for more than 40 years, pulls no punches. In this all-new guide, he says Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of zombie vehicles. Jaguar, Land Rover, Saab, and Volvo: Mercedes-Benz, rich cars, poor quality. There's only one Saturn you should buy: Toyota. Enough apologies when you mess up: fess up.
