Lemon-Aid New and Used Cars and Trucks 1990-2016 Phil Edmonston, 2015-11-21 This book steers buyers through the the confusion and anxiety of new and used vehicle purchases unlike any other car and truck book on the market Dr Phil Canada s best known automotive expert for more than forty five years pulls no punches Wilful Blindness Sam Cooper, 2022-06-08 Revised and updated edition of the Globe and Mail and Amazon bestselling book If you want to understand war in the 21st century read this to get part of the story Robert Spalding US Brigadier General retired This book reads like a thriller and is stranger than fiction Gripping racy and exciting it is difficult to put down A tale of gambling narcotics tycoons criminal gangs and Communists And the shocking part is that it s not a novel it is all true Benedict Rogers CEO Hong Kong Watch In 1982 three of the most powerful men in Asia met in Hong Kong They would decide how Hong Kong would be handed over to the People s Republic of China and how Chinese business tycoons Henry Fok and Li Ka Shing would help Deng Xiaoping realize the Chinese Communist Party s domestic and global ambitions That meeting would not only change Vancouver but the world Billions of dollars in Chinese investment would soon reach the shores of North America s Pacific coast B C government casinos became a tool for global criminals to import deadly narcotics into Canada and launder billions of drug cash into Vancouver real estate And it didn t happen by accident A cast of accomplices governments hungry for revenue casino and real estate companies with ties to shady offshore wealth professional facilitators including lawyers and bankers an aimless RCMP that gave organized crime room to grow all combined to cause this tragedy There was greed folly corruption conspiracy and wilful blindness Decades of bad policy allowed drug cartels first and foremost the Big Circle Boys powerful transnational narco kingpins with ties to corrupt Chinese officials real estate tycoons and industrialists to gain influence over significant portions of Canada s economy Many looked the other way while B C s primary industry real estate ballooned with dirty cash But the unintended social consequences are now clear a fentanyl overdose crisis raging in major cities throughout North America and life spans falling for the first time in modern Canada and a runaway housing market that has devastated middle class income earners This story isn t just about real estate and fentanyl overdoses though Sam Cooper has uncovered evidence that shows the primary actors in so called Vancouver Model money laundering have effectively made Canada s west coast a headquarters for corporate and industrial espionage by the CCP And these ruthless entrepreneurs have used Vancouver and Canada to export their criminal model to other countries around the world including Australia and New Zealand Meanwhile Cooper finds that the RCMP s 2019 arrest of its top intelligence official Cameron Ortis raises many frightening questions Could Chinese transnational criminals and state actors targeting Canada s industrial and technological crown jewels have gained protection from the Mounties Could China and Iran have insight into Canada s deepest national security secrets and influence on investigations Ortis had oversight of many investigations into transnational money laundering networks and insight into sensitive probes of suspects

seeking to undermine Canada's democracy and infiltrate the United States according to the evidence Cooper has found Wilful Blindness is a powerful narrative that follows the investigators who refused to go along with institutionalized negligence and corruption that enabled the Vancouver Model with Cooper drawing on extensive interviews with the whistle blowers thousands of pages of government and court documents obtained through legal applications and large caches of confidential material available exclusively to Cooper The book culminates with a shocking revelation showing how deeply Canada has been compromised and what needs to happen to get the nation back on track with its Five Eyes allies Lemon-Aid New

Cars and Trucks 2013 Phil Edmonston, 2012-12-01 Offers advice for prospective buyers of cars and trucks reveals information on secret warranties and confidential service bulletins and tells how to complain and get results **Invisible Women** Caroline Criado Perez, 2019-03-12 The landmark prize winning international bestselling examination of how a gender gap in data perpetuates bias and disadvantages women 1 International Bestseller Winner of the Financial Times and McKinsey Business Book of the Year Award Winner of the Royal Society Science Book Prize Data is fundamental to the modern world From economic development to health care to education and public policy we rely on numbers to allocate resources and make crucial decisions But because so much data fails to take into account gender because it treats men as the default and women as atypical bias and discrimination are baked into our systems And women pay tremendous costs for this insidious bias in time in money and often with their lives Celebrated feminist advocate Caroline Criado Perez investigates this shocking root cause of gender inequality in Invisible Women Examining the home the workplace the public square the doctor's office and more Criado Perez unearths a dangerous pattern in data and its consequences on women's lives Product designers use a one size fits all approach to everything from pianos to cell phones to voice recognition software when in fact this approach is designed to fit men Cities prioritize men's needs when designing public transportation roads and even snow removal neglecting to consider women's safety or unique responsibilities and travel patterns And in medical research women have largely been excluded from studies and textbooks leaving them chronically misunderstood mistreated and misdiagnosed Built on hundreds of studies in the United States in the United Kingdom and around the world and written with energy wit and sparkling intelligence this is a groundbreaking highly readable expos that will change the way you look at the world

Righteous Rage: Why Feminism Needs the Fierce Goddesses Susan J. Foster, 2025-08-20 With the backlash against feminism and reproductive rights since Roe v Wade was overturned many people are asking whether feminism is lost if not dead With so many rights on the chopping block including rights to contraception and IVF Righteous Rage helps inspire women and their male allies for the fight ahead It draws on the fierce energy of the dark or fierce goddesses of ancient times who represent an archetype of female rage against injustice They carry a primordial energy of destruction of systems and paradigms that no longer serve us such as patriarchy but also have the power to create new non patriarchal structures that promote wellbeing and align with justice The dark goddesses have been submerged in our psyches residing in what Carl Jung

called the collective unconscious but they serve as a repository of fierce energy which if tapped into can rejuvenate the flagging women s movement Technically Wrong: Sexist Apps, Biased Algorithms, and Other Threats of Toxic Tech Sara Wachter-Boettcher,2017-10-10 An entertaining romp that tells us where and why the tech industry once America s darling went wrong and what it might do to recover its good graces Tim Wu author of *The Master Switch* Buying groceries tracking our health finding a date whatever we want to do odds are that we can now do it online But few of us realize just how many oversights biases and downright ethical nightmares are baked inside the tech products we use every day It s time we change that In *Technically Wrong* Sara Wachter Boettcher demystifies the tech industry leaving those of us on the other side of the screen better prepared to make informed choices about the services we use and to demand more from the companies behind them A Wired Top Tech Book of the Year A Fast Company Best Business and Leadership Book of the Year **The Ethanol Papers** Marc J. Rauch,2019-12-20 In this brash and audacious debunking of the myths and manipulation that brought the world to oil addiction alt fuel expert Marc J Rauch brilliantly lays out how ethanol can change the planet for the better and along the way helps us navigate the noise of petroleum advocates *The Ethanol Papers* is a rough and tumble no holds barred crystallization of the ethanol vs gasoline conflict Written in plain jargon non scientists non academics and politicians alike will find it compelling Yet this is no Idiots Guide to Biofuels or Alt Fuels for Dummies Rather *The Ethanol Papers* is the most in depth and complete explanation of the ethanol oil problem now available targeted for smart people who demand facts
